

The diagram illustrates the layout for a postcard design. It features a thick black dashed border representing the final postcard size. Inside this, there are two concentric dashed rectangles: an outer blue one representing the 'CUT LINE' and an inner magenta one representing the 'SAFE AREA'. A vertical dashed line with an upward-pointing arrow at the top center indicates the bleed area. On the left side, two horizontal dashed lines with left-pointing arrows indicate the dimensions for the cut line and safe area respectively.

Design should include 0.125" of bleed beyond the cut line.
Design dimensions should be 4.25" X 6.25"
